DIPLOMA IN

MECHANICAL ENGINEERING

ELIGIBILITY:
ITI / DIPLOMA

DURATION:
REGULAR - 1 YEAR
FAST TRACK AVAILABLE

EXPERIENCE:
2 YEARS

The right & deemed fit students will be provided with 100% placement assistance

COURSE DESCRIPTION

The Diploma in Mechanical Engineering is a one-year program that covers the fundamental concepts of engineering with a focus on mechanical systems. Mechanical engineering applies the principles of physics and engineering science to the design, manufacture and maintenance of machines and mechanical equipment, and it remains one of the most widely needed branches of engineering.

Students study mechanics and machines, design of machine elements, heat transfer, fluid mechanics, integrated design and manufacturing, and robotics. Designed for ITI and diploma holders with work experience, the program strengthens both theory and practical skills, preparing graduates to work as professionals in manufacturing plants, production companies, workshops and maintenance teams, in roles such as mechanical technician, production supervisor, maintenance technician and CAD/design assistant.

ABOUT US

Aster Academy is an international business school dedicated to delivering excellence in management & technical education. With a strong online learning ecosystem, we offer short-term, diploma, advanced diploma, graduate & post graduate programs designed for students, entrepreneurs, and working professionals. Our courses are designed by industry experts, aligned with international standards, and focused on practical skills that ensure employability and business growth.

Our Subjects

- Mechanics & Machines
- Design of Machine Elements
- Heat Transfer
- Fluid Mechanics
- Integrated Design & Manufacturing
- Robotics

Exam & Duration:

Online Exam: 2 hours/paper

Total Fees For Indian Residents : Rs. 29500*

**Terms and conditions apply*
