COURSE DESCRIPTION

The Masters Program in Business Administration (MBA) is a two-year program designed to meet the growing demand for skilled managers and business leaders. It builds a strong foundation in the core areas of business, including accounting, economics, marketing, finance, operations and human resources, and lets students follow their own personal or professional interests through a specialization in the second year.

The program is ideal for working professionals with significant work experience who are looking for career growth and want to move into senior managerial roles. Learning is practical and focused on real business situations, helping students lead teams with confidence and take sound, data-driven decisions.

What You Will Learn

- Leadership and people management skills
- Marketing, selling and building strong customer relationships
- Financial planning and keeping a company's finances healthy
- Analysing industry data and preparing business reports
- Handling difficult situations, negotiation and decision making
- Building partnerships and growing a business
