The Bachelor Program in Arts – Philosophy at Aster Academy is an ideal choice for learners who enjoy critical thinking and often find themselves reflecting on questions of life and existence.

Over three years, learners explore both Indian and Western traditions, from an introduction to Indian philosophy, the philosophy of religion and modern Indian thought to Western philosophy, epistemology and metaphysics, logic, and contemporary Indian and Western philosophy, and on to Greek and medieval philosophy, socio-political philosophy and formal logic. Ethics, business ethics and management subjects connect philosophical thinking to the modern workplace.
