

ADVANCED DIPLOMA IN ELECTRONICS ENGINEERING

Duration : Regular (2 Years)
Fast Track Available

Course Description

The Advanced Diploma in Electronics Engineering at Aster Academy is an advanced-level programme for diploma holders. Electronics deals with the flow and control of electrons and their behaviour in devices and systems, and it is the brain of modern technology. Over two years, learners study basic electronic engineering, communication systems, signals & systems, analog integrated circuits, antenna & microwave engineering and power system instrumentation, then network analysis, digital electronics, automatic control systems, analog electronics, microprocessors and devices & circuits. Designed by industry experts and delivered through our flexible online learning ecosystem, it prepares learners for maintenance & service, production and quality control, research assistance and technical marketing roles in private and government sectors in India and abroad, and for higher study in electronics, instrumentation, telecommunication, medical electronics and computer science.

Eligibility: Diploma

Work Experience: 2 Years

- Online learning & online exams
- Industry-designed curriculum
- Aligned with international standards

ABOUT US

Aster Academy is an international business school dedicated to delivering excellence in management & Technical education. With strong online learning ecosystem, we offer short-term, diploma, advanced Diploma, Graduate & Post Graduate programs designed for students, entrepreneurs, and working professionals. Our courses are designed by industry experts, aligned with international standards, and focused on practical skills that ensure employability and business growth.

Our Subjects

YEAR 1

- Basic Electronic Engineering
- Communication Systems
- Signals & Systems
- Analog Integrated Circuits
- Antenna & Microwave Engineering
- Power System Instrumentation

YEAR 2

- Network Analysis and Synthesis
- Digital Electronics
- Automatic Control Systems
- Analog Electronics
- Microprocessors
- Devices and Circuits

Exam & Duration

Online Exam: 2 hours/paper

Total Fees For Indian Residents : Rs. 37,760*
