

DIPLOMA IN MANAGEMENT E-BUSINESS

Duration : Regular (1 Year)
Fast Track Available

Course Description

The Diploma in Management – E-Business at Aster Academy teaches learners the key aspects of running an online business and how to put a successful e-business strategy into practice. E-business skills are increasingly powerful in today's economy: learners discover how to design, build, update and monitor a website so it reaches local and international customers searching for their products and services online. The course also covers IT security, helping create a secure IT infrastructure at work, and builds an understanding of managing IT projects. Through management essentials, e-commerce, e-business management, business analysis, business process outsourcing and general management, learners gain expertise in e-commerce and online retail, along with the skills to tackle business challenges effectively. Delivered through our flexible online learning ecosystem, with a fast-track option.
